Please be aware that all of our claims are currently for sale and members' use can be restricted at any time; therefore, you must contact us prior to visiting our claims for any updates.

Gold Prospector's Club Rules

1. Dues are \$50 per month, per person. (Kids 12 and under are free when accompanied by a member.) It is your responsibility to maintain membership, should you choose to.
2. Use of our mining claims is for members only. It is your responsibility to make sure that you limit your prospecting to the pre-authorized claim only. Mining on someone else's claim is known as "claim jumping" and is against the law. Camping allowed with our permission only.
3. Advanced Geologic must be contacted prior to your prospecting activities. If we are out of the office, please leave us a detailed message of when and where you will be prospecting, your contact information and a vehicle description, (should you use transportation that is not described below). We will get back to you at our earliest convenience.
4. No mechanized operations are permitted including but not limited to dredges, chainsaws, trammels, backhoes, ect. Destruction of vegetation is absolutely prohibited. Sluice boxes, hand tools and gold pans are allowed.
5. You must maintain a clean site; if you bring it in, please take it out with you.

Any violations to these terms will be cause for membership termination and subject to prosecution. Prospect at your own risk. We offer no guarantees, warranties or refunds. You must comply with all County, State and Federal regulations. Advanced Geologic assumes no liability beyond the terms contained herein.
